

Canon

imageRUNNER 5055

Our Favorite Feature:

Enhanced Image Quality -The imageRUNNER 5055 offers a complete range of image and document manipulation features, including support for 1,200 x 1,200 dpi output for outstanding image quality on every printed page. Plus, every imageRUNNER 5055 system employs Canon's Fine Character and Edge Enhancement Technology (FCET) for printing clear, crisp text and images. The image quality on the imageRUNNER 5055 has also been enhanced to provide richer and darker solids.
