

Canon

imageRUNNER C4080

Our Favorite Feature:

New Web-enabled "Pull Print"

Functionality – Offers the industry's first-ever Web browsing function. This permits the devices to double as "information kiosks," allowing users to call up Internet or intranet data on the full-size user-interface panel, supporting information retrieval and printing from on-site locations without the need for a PC.

Standard Features

- Copy (40 B&W, 36 Color pages per min)
- Direct Printing
- Network Printing
