

Canon

imageRUNNER C4080i

Our Favorite Feature:

Enhanced Mail Box Functionality- The system supports value-added Mail Box capabilities for information sharing, secure document storage, and print-on-demand needs. More documents can now be stored in each Inbox and in all Mail Boxes.

Documents stored in an Inbox can be merged, named, and saved. When printing, multiple Inboxes can be selected. Now you can even print the jobs contained in your Mail Box for quick reference.
