Dear Clay,

I just wanted to let you know how pleased we are with our representative from your company Data-max. Bryan Bearden has worked with us through the years (about 27), and has done an excellent job. Sometimes it is just nice to hear from people you do business with and the customers you serve. Bryan is always helpful and drops by occasionally to see if we need help. We appreciate his kindness and enthusiastic personality. We just signed a new five year lease with a new copier as a result of his encouragement. Thank you again for being a great company who serves us well and for those who serve you so well.

Sincerely,

A handwritten signature in cursive script that reads "Dan Manuel". The signature is written in black ink and is positioned above the printed name of the minister.

Dan Manuel-Minister

P.S. I wrote this letter to you with Bryan's consent. There was no prodding on his part. Just wanted you to know what others thought of him.
