

Add even
more green
to your process.

Partner with Datamax to not only get greenback
 but give green back as well.

Once again for 2018, Datamax is partnering with the Arbor Day Foundation to add even more green to your process. For every qualified lease or purchase of digital printing office technology 30 pages per minute or greater, we will send a donation to the Arbor Day Foundation that will plant a tree in our nation's damaged forests. Whether you help plant one tree or many, Datamax will make sure you have the opportunity to make a significant contribution to the environment *and* your bottom line.

Datamax's tree planting initiative will run separately, yet in conjunction with Canon's Arbor Day Foundation Tree Donation Program for its duration. For more information regarding these programs, please visit www.datamextexas.com/datamaxgreen. All trademarks and registered trademarks are the property of their respective owners. ©2018 Datamax Inc.
