

datamax[®]

CLIENT REFERRAL PROGRAM.

At Datamax, we believe the most significant reflection of our clients' satisfaction is when they recommend our company's products and services to a business colleague or friend. When asked, *"how likely would they recommend Datamax to a friend or colleague,"* our clients gave us an average score of 9.8 for 2019 (Scale: 1-10 ... 10 being the highest, Source: Net Promoter Score[®] System). We value your recommendations. To say *"thank you,"* we've developed the Datamax Client Referral Program.

When you refer new business to Datamax, we believe rewards are definitely in order!

datamextexas.com

9.8

When asked, "how likely would they recommend Datamax to a friend or colleague," our customers gave us an average score of 9.8 for 2019.

Scale: 1-10 (10 being the highest)
Source: Net Promoter Score[®] System.
Actual Net Promoter Score: 94.1 for 2019.

What will I earn? \$200 Gift Card

For every new Referral Lead submitted resulting in the purchase or lease of a Datamax Core Product or Service, you will earn a **\$200 Visa Gift Card**.

You could also choose to pay it forward with a charitable donation instead. In lieu of a reward gift card, Datamax would be pleased to donate \$200 to the non-profit organization of your choice in your company's name.

How do I submit a Referral Lead?

Simply complete and submit a Datamax Client Referral Form online at www.datamextexas.com/rewards. Your referral will be distributed to the appropriate sales department and assigned to a Datamax Consultant. The Datamax Consultant who receives the lead will contact the company being referred and will indicate that you are the referral source, provided you've agreed that we can share your name on the Datamax Client Referral Form.

How will I know if my Referral Lead resulted in a sale?

If your Referral Lead results in a sale, we will notify you by email once the referred Datamax Core Product or Service has been installed.

To find out the status of a referral or to obtain more information about this program, you may contact our Marketing Department via email or at **1.800.633.1526**.

How will I receive my Referral Lead Rewards?

Referral rewards will be issued in the form of a Visa Gift Card and sent directly to you via FedEx, UPS or delivered by your Sales Representative.

Program Guidelines

CONNECTREWARDS
CLIENT REFERRAL PROGRAM

1. Eligibility:

Only current Datamax Clients are eligible to submit Referral Leads. A Referral Lead must be a new customer to Datamax. Existing customers and Datamax vendors do not qualify as a new Lead Referral for this program.

In the event Datamax is already working with and/or prospecting the Referral Lead, Datamax will contact you within forty-eight (48) hours or less to advise you of Datamax's current activity within the company being referred.

2. Submittal Format:

To qualify, all Referral Lead information must be submitted by the referring client via the Datamax Client Referral Form. All information submitted will be strictly governed by the Datamax Privacy Policy.

3. Datamax Core Products or Services:

The Referral Lead must result in a \$1,000 or more sale of a Datamax Core Product or Service.

4. Rewards Fulfillment:

Referral rewards will be paid after delivery and/or installation of the referred customer's Datamax Core Product or Service. Referral rewards will only be paid once per referred account.

5. Other:

Datamax reserves the right to amend, modify, or discontinue the Client Referral Program without prior notice. Datamax retains sole discretion and authority to interpret all aspects of this promotion including, but not limited to, criteria and eligibility.
